**Prior KQG Show Restriction** - Only items not previously exhibited in a **Kenan** show are eligible for this show.

**Item Priority for Space Planning** – The date/time stamp from Google Forms will determine which of your items in each category are given first priority. The first 5 in each size category will be included, then the next item in each category will be added if space permits. We will confirm all items by the October 17 deadline.

**Hanging Sleeve** – ALL items must have a 4-inch-deep sleeve at the top for hanging, pinned, or stitched in place across the FULL width of the item. If your item is greater than 100 inches in length, the sleeve must be positioned so the TOP EDGE of the sleeve measures no more than 104 inches from the bottom edge of the quilt (this avoids dragging on the floor). Please contact Nancy if you need more information about the sleeve or have an item that does not accommodate a sleeve (e.g. tote bag, jacket, purse).

**Item Description Forms** - Each item entered requires a detailed description for the label attached to the front of the quilt during the show.

**Item Labels** - Each item must have a set of labels attached to ensure proper identification when dropping off and picking up. Detailed instructions appear in the label document at: <http://www.kenanquiltersguild.org/biennial-quilt-show.html>

**Packaging** – Each item must be in its own CLEAR plastic bag with the labels near the opening for KQG marking at Drop-Off.

**Google Form Confirmation** – each form submitted will receive an email confirmation; please check your spam or junk folder if you don't see it.
