PRESIDENT'S REPORT

PRESIDENT'S REPORT

July's meeting was lots of fun and we even had a new quilter come visit us! I'm sure we made a good impression as we put her to work and she even took work home to do for August's meeting. We sorted and cut and packaged lots of kits for cuddle quilts. Many of us took home those kits to do ourselves. I don't know about everyone else, but I always feel good when I finish a cuddle quilt.

We're starting another year of workshops and meetings. If there's some activity you want to pursue and want companionship while you do it, let Marge or me know and we can promote it in the newsletter. The brown bag quilt, a mystery quilt, or even the seasonal blocks for a drawing might be fun. If you can think of some other thing, we're open to suggestions. I'll be away the first two weeks of August for my son's wedding and to visit my grandson in New Jersey, so please mail or e-mail me information from the meeting and any suggestions you have for September. This is a good time to be thinking of what you want to get out of guild meetings during the year.

We also have several committees that need leadership. I can do the newsletter for August when I come back but I will not be able to do it come the school year. If anyone is interested in pursuing this, I'll meet with you and forward information in August to get you started. It isn't that difficult and Laurie was kind enough to send me templates for what needs to be done. God bless her because that makes the job a lot easier! We also need a chair (or two) for the cuddle quilts committee. Stephanie tells me that the Kenan has no plans to decorate rooms at the house this year, so we won't need a chair for that job. Thank you Kenan.

If anyone cannot continue in a leadership role of a committee, please let me know so we can find people to help. We want coming to guild to be an enjoyable and challenging experience and we need everyone's help to make that possible.

VICE PRESIDENT'S REPORT

During the July meeting we sorted fabrics and made up kits for cuddle quilts. We still have no one to take over for Linda and Judy. This is a community venture and we are expected to do community outreach. If you are interested, please contact either Martha or myself.

There were eleven gals who showed up to help and by August we should have some quilts finished and some in kits.

The August meeting everyone is to bring UFOs to work on and share ideas. Bring some cookies to pass round. Hopefully, the weather will be cooler.

I'm starting to look at programs and workshops, so any ideas you have, you might like to let me know.

See you in August.

Marge Sposito

PROGRAMS

August 9th, Thursday Night 7pm to 9pm (no cost)
Guild members will work on completing UFOs.

No workshop in August
